### REPORT

Pongal, the harvest festival of Tamil Nadu, is celebrated with great enthusiasm on the first day of the Tamil month of 'Thai' for Sun God, Mother Nature, and the various farm animals that contribute to a bountiful harvest. Pongal is not only a time for gratitude but also a time for family reunions, community gatherings, and sharing joyous moments. On January 12th, 2024, Mar Gregorios College of Arts & Science marked the occasion of Pongal with fervour. The event commenced with the dignitaries lighting the traditional Kuthu Vilakku, followed by the singing of *Tamizhthai Vazhthu*.

The guest highlighted the significance of Pongal as a celebration of new beginnings. The festival, he explained, symbolizes hope and joy, embraced by all with great happiness. He emphasized how the festival strengthens cultural bonds and fosters a sense of unity among people from all walks of life. As part of the Pongal celebration, the Tamil Department organizes activities such as Pongal preparation, rangoli competition, and other engaging events to illuminate the day's importance. These activities not only promote cultural awareness but also encourage students to express their creativity and understanding of the festival's deeper meaning.

The event concluded with a traditional Pongal feast, where students and faculty members shared a meal, embodying the spirit of togetherness and gratitude. The festive celebration was enhanced by traditional dance performances and folk music, which further reflected the rich cultural heritage of Tamil Nadu. It was a memorable occasion that underscored the importance of preserving cultural traditions and celebrating the abundance of nature and community.

On August 25, 2023, the Onam festival was celebrated on the college campus. Onam is a time of cultural richness, traditional rituals, delicious feasts, and colourful festivities. During the Onam celebrations, students decorated the college with intricate flower carpets known as "pookalam," made using a variety of colourful flowers. These flower carpets are a symbol of harmony and prosperity. Traditional Onam songs and dances, such as the famous "Thiruvathira" and "Kathakali," were performed by groups, adding to the festive ambiance and showcasing the rich cultural heritage of Kerala.

The event also included the preparation of the grand "Onasadya," a traditional feast with an array of delicacies served on a banana leaf, which is the highlight of Onam celebrations. The Onasadya symbolizes abundance and the spirit of sharing, as family and friends come together to enjoy the meal.

The festival symbolizes unity, prosperity, and joy, as people together celebrate their culture, heritage, and the spirit of togetherness. Onam is not just a festival, but a celebration of the values and traditions that bind communities together. It also marks the homecoming of the mythical King Mahabali, who is believed to have visited his people during this time, and his reign is remembered as a golden era of peace and prosperity.

It is one of the most anticipated and cherished festivals in the region, embodying the essence of cultural pride, collective harmony, and the timeless traditions that continue to unite generations.
