BEST PRACTICE – II

NAME OF THE BEST PRACTICE: USER AWARDS (2023-2024)

EVENT REPORT

In celebration of academic achievement and a commitment to promoting a culture of reading and learning, Mar Gregorios College of Arts & Science hosted its Annual Day event for the academic year 2023-2024. A key highlight of the evening was the special recognition given to individuals who demonstrated exceptional dedication in making the most of the college's library resources. In a significant move, the college introduced the "User Awards" to honor avid readers and dedicated library users.

The event began with an air of excitement as students, faculty, and guests gathered to celebrate the remarkable contributions made to the library community. The awards were divided into several categories, including Shift I and Shift II students, as well as staff members, reflecting the inclusive and diverse nature of the college.

The celebration underscored the college's steadfast commitment to fostering a culture of reading and intellectual development among its students and faculty. Through initiatives like the User Awards and the one-day Book Fair organized by the Department of Library, Mar Gregorios College of Arts & Science continues to inspire and motivate its community to excel both academically and beyond.

As the evening drew to a close, attendees left with a renewed passion for learning and a deeper appreciation for the library's central role in academic life. The event served as a powerful reminder of the transformative power of knowledge and the importance of cultivating a lifelong love of learning within the college community.
