HANDS ON TRAINING – ARTIFICIAL INTELLIGENCE INTRIGUING HACKING
TACKLING & AGILE SOFTWARE DEVELOPMENT

REPORT

Department of Computer Application – Shift 1 organized hands-on training in Artificial Intelligence Intriguing Hacking Tackling & Agile Software Development on July 21st 2023 between 11.00 a.m and 1.00 p.m in Computer Lab(S-16). Resource Persons Dr.S.Mathivilasini and Dr.D.Sridevi, Associate Professors, Ethiraj College for Women, Chennai shared their valuable knowledge in Artificial Intelligence, ChatGPT and Agile software to the final year students of our department. Totally 43 students (35 boys and 8 girls) actively participated in the training session and got real-time experience. Dr.R.Srikanth, Principal, Mar Gregorios College presented mementos to the resource persons in the presence of IQAC Coordinator and Vice Principals of both the shifts.

REPORT ON GUEST LECTURE titled

“SECURED ROUTING IN AD_HOC NETWORK”

The Department of Computer Science, Shift – II in association with IQAC organized a **Guest Lecture** on “Secured routing in Ad-hoc network” on 24-08-2023 from 3.00 pm to 4.00 pm. **Dr. V.Divya**, Assistant Professor working in VELS Institute of Science, Technology and Advanced Studies (VISTAS), Pallavaram, Chennai. The resource person Dr.V.Divya explained various concepts related to ad-hoc networks to our students. Our Principal Dr.R.Srikanth gave the inaugural address, IQAC Co-ordinator Prof S.Shantha, Vice Principal of Shift - I Dr.G.Gayathry and Vice Principal of Shift - II Dr.S.Shalini Maher felicitated the resource person with a shawl. 97 students have participated and gained knowledge about wireless networks and routing algorithms. The session was very informative and resourceful.

WORKSHOP ON WEB DESIGNING

VENUE: COMPUTER LAB

DATE: 07/09/2023

TIME: 09.00 AM – 12.00 NOON

Department of Computer Science, Shift - I organized workshop on "Web Designing" on 7th September 2023. The workshop was scheduled between 9.00 AM to 12.00 NOON in Computer Lab. Alumni Mr.Abijah Roch Enoch Raj was the resource person. The workshop commenced with the felicitation by Principal Dr.R.Srikanth. The Head of the Department Mr.James Benedict Felix welcomed the resource person. Around 60 students from UG 3rd Yr along with PG 1st Yr and 2nd Yr attended the workshop. Hands on experience was given to students. They actively involved themselves and gained knowledge on web designing.

The success of any institution can be measured by the contribution of its Alumni. Having witnessed an alumni as resource person the student participants were greatly motivated towards shaping their career in the field of Information Technology. It was also an eye opener for students to focus more on their academics. Attending such workshops will prepare them to confidently face ON/OFF CAMPUS Interviews. Various IT related job opportunities were also discussed. Vice Principal of Shift - I Dr.G.Gayathry and Shift - II Dr.S.Shalani Maher attended the ~~validation.~~ *validation.*

KEY LEARNING AND TAKE-AWAYS:

- The five stages of Design Thinking: Empathize, Define, Ideate, Prototype, and Test.
- The importance of customer-centered approaches in creating solutions that are relevant and practical.
- How design thinking encourages iterative learning and continuous improvement, essential for entrepreneurial success.
- Innovation starts with empathy: Understanding the user's needs is crucial for developing meaningful solutions.
- Prototyping is key: Building quick models helps in testing ideas faster and refining them based on feedback.
- Collaboration is essential: Design thinking thrives on the diverse perspectives brought in by teamwork.

Report on Online Mentor Mentee Program - "Design Thinking"

On 23rd February 2024, an enriching Online Mentor Mentee Program on 'Design Thinking' was organized by the Mentor Institution of IIC, Patrician College of Arts & Science, in association with Mar Gregorios College of Arts & Science (MGC). The session commenced at 11:30 AM and was aimed at enhancing the skills of aspiring members of the Entrepreneurship Development Cell (ED Cell).

The Resource Person for the program was Mr. Girirajan, Innovation Ambassador, Assistant Dean of International Affairs, Director of the Collaboratory for Social Innovation, and Faculty of ECE at SR University, Warangal. With his vast experience, he provided valuable insights into the concept of Design Thinking, offering a clear understanding of its application in fostering innovation and problem-solving in various domains. The session was well-received by 50 students from the Department of Computer Applications, Shift-I, who actively participated and gained practical knowledge from the discussion. The interactive approach adopted by Mr. Girirajan made the session highly informative and engaging, benefiting the students immensely.

DAY 4

Title: Advanced Techniques in Certificate Automation: Hands-on Demo with Autocrats by Dr. K. Kalaiselvi, Department of Data Analytics, Professor, of Saveetha College of Liberal Arts and Sciences, SIMATS, Chennai.

Dr. K. Kalaiselvi conducted an insightful session on advanced techniques in certificate automation, featuring a hands-on demo with Autocrats. The session aimed to equip participants with practical skills to streamline certificate generation processes efficiently. She elucidated the significance of automation in certificate management, highlighted its potential. The demo showcased Autocrats' capabilities in automating various tasks such as template creation, data integration, and bulk certificate generation.

Participants gained firsthand experience in setting up Autocrats, navigating its user-friendly interface, and configuring automation workflows tailored to their specific requirements. She provided step-by-step guidance, ensuring participants grasped key concepts and techniques effectively.

Through interactive exercises, attendees learned how to customize certificate templates, integrate data from external sources, and implement conditional logic for dynamic content generation. Dr. Kalaiselvi emphasized best practices for ensuring data security, integrity, and compliance throughout the automation process.

Attendees were impressed by Autocrats' versatility and ease of use, acknowledging its potential to revolutionize their certificate management workflows. Dr. Kalaiselvi encouraged participants to explore advanced features and experiment with automation strategies to optimize efficiency further.

DAY 5

Topic: The Power of Advanced Markup in Modern Web Design by Dr. A. Hency Juliet Professor, Department of Data Analytics, Saveetha College of Liberal Arts and Sciences, SIMATS, Chennai.
