

ANALYSIS REPORT OF EMPLOYERS' FEEDBACK

Academic year 2023-2024

The questionnaire was designed to gather feedback from employers regarding the curriculum, focusing on course activities, students' skill levels, the relevance of topics to the industry, and the alignment of courses with students' programs. The feedback received was largely positive in relation to the curriculum content. This input is valuable for organizing seminars, internships, guest lectures, and industrial visits. Employers emphasized the need to significantly enhance the number of seminars, industrial visits, guest lectures, and assignments to provide students with more opportunities for experiential learning. Feedback on the curriculum was collected through a form created by the college and shared with the employers. There were 5 questions and the responses for each question is displayed below:
